GEORGE B. DANIELS and MIRIAM GOLDMAN CEDARBAUM,  
United States District Judges:

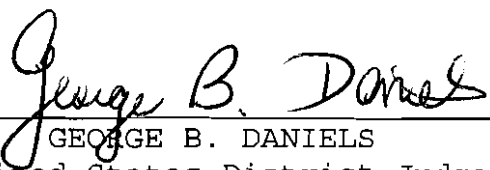

Defendant Stephen Walsh moves for reconsideration of our opinion of March 9, 2010 granting in part his motion to release property for lawyers' fees.

Walsh has not demonstrated that the Court overlooked matters or controlling decisions that, had they been considered, might reasonably have altered our decision.

We carefully considered the issues raised at the time we rendered our original decision. Since Walsh has presented no new matter or controlling law contrary to that decision, the motion is denied.

SO ORDERED.
